The beautiful, fast and premium  
7.9" tablet for everyday life

# Iconia | A1

## A Touch Cooler

The new Acer Iconia A1-830 is a beautiful blend of good looks and great features. Whether you're browsing the web, watching a movie or playing the latest 3D game, the new Iconia is designed to help you effortlessly navigate your world.

## A stylish companion with solid appeal

With a premium feel that sets it apart, the new Acer Iconia A1-830 goes wherever life takes you. Fitting nicely in your hand—at home, in the coffee shop or on the go—its sturdy metal cover and mid-frame is ready for action. The narrow bezel reveals more, so reading your favorite book or playing the latest game is even more compelling.

## Explore a world of fluid movement

Confidently navigate your world with the new Acer A1-830 in the palm of your hand. Its powerful Intel® processor loads your favourite webpages lightning fast and makes the latest 3D games look amazing. With super-low power consumption, you can also look forward to being entertained even longer when you're on the go.

## Captivate your senses

Experience the powerful sound and vibrant display of the new Acer A1-830. Whether you're watching the latest movie, browsing your favorite websites or simply reading a book, the high resolution screen and dual stereo speakers bring every stunning detail to life. Built-in IPS\* technology also means everything that interests you looks great from every angle.
